**CITY OF VALLEJO
VESSEL LIEN SALE INSTRUCTIONS**

Pursuant to the California Harbors and Navigation code, Section 500 et. Seq., the City of Vallejo is conducting a possessory lien sale of vessels that owe berthage to the City.

The vessels will be available for inspection on Tuesday, January 20th, 2015 from 10:00 a.m. to 11:00 a.m. The sale will be held immediately following the inspection at 11:00 a.m. at the Marina Office, located at 42 Harbor Way, Vallejo.

The sale will be by public auction (not sealed bids).

The successful bidder shall place, at the conclusion of the bidding, a deposit equal to 30% of the bid amount. The deposit shall be in the form of cash, cashiers' check or a money order.

The registered owner of the vessel(s) has a ten-day redemption period following the sale of the vessel. This period will conclude on Friday, January 30th, 2015, close of business.

On Monday, February 2nd, 2015, the successful bidder shall pay to the City the remaining 70% of the bid amount in cash, cashiers' check or money order. **The successful bidder will not have any access to the vessel until both the ten-day redemption period has expired and the complete bid amount has been paid.**

By Friday, February 6th, 2015 the successful bidder shall remove the vessel(s) from the Vallejo Municipal Marina or the location that the City of Vallejo Marina has stored said vessel/vehicle/trailer. The successful bidder shall not remove anything from the vessel prior to the complete removal of the vessel from the City of Vallejo property. Any action, which in the sole opinion of the Marina Manager, appears to be "stripping" the vessel of parts, will cause the sale of the vessel to be voided and all fees paid to be forfeit to the City of Vallejo.

Upon payment of the full bid amount and removal of the vessel from City of Vallejo property, the successful bidder shall receive all of the required forms to register the vessel(s) in his/her name with the California Department of Motor Vehicles. Additional fees may be due the Solano County Tax Collector.

All vessels are being sold in "as is" condition. The City of Vallejo makes no warranty concerning these vessels.

As of this date, January 10th, 2015, the vessels are:
