Vallejo Marina will begin dredging on August 1st

We require customers to temporarily move their boats that are in the dredge areas listed below by no later than July 21st. Please contact the Marina Office at (707) 648-4370 and coordinate with them to select your own temporary slip, and move there as soon as possible.

The docks that will be affected are:

C dock end tie; D dock; E dock (Guest Dock); I dock (including I outer perimeter).
J043-J045 (including JOP2); J088-J091 (including JOP3);
J130-J137 (including JOP4).
K030-K032 (including KOP5); K077-K079 (including KOP6);
K115-K138 (including KOP7).

The hours of dredge operations will be: 6:00 a.m. - 6:00 p.m.
Monday through Sunday.

G DOCK GETS A MAKEOVER...

The Marina has made several changes to G dock in order to accommodate multi-hull vessels. Pilings and finger docks have been removed; the remaining dock has been re-planked; and new LED lighting and electrical boxes are being installed. The electrical service is being upgraded from 15 AMP to 30 AMP. If any customers that have catamarans or trimarans would like to move to G dock, please contact office staff.
