

# MARINA NEWS

## Pet Friendly Marina

We are a pet friendly Marina... Please remember to keep your dog on a leash at all times. This is not only a Marina rule, but it is a City Ordinance as well. This is not only to protect other people, but it is for your pets protection as well.

## Dock Safety

Please remember all persons trying to gain access to locked or gated areas should be referred to the Marina office. We are still having issues with the general public being let through the gates without key fobs. This is for the safety of you and your property.

## Laundry Price Change

The coin laundry prices will be increasing in the next few weeks. Our prices for both washers and dryers are approximately three times lower than the average in the area.

## Please keep your bilges clean

*For free absorbent bilge pads contact the Harbor office.*

Keep the bilge clean and dry and your boat engine well tuned to prevent fuel and oil leaks. Place an oil absorbent under the engine and in the bilge. Check the absorbents often and dispose of them as hazardous waste. We will gladly take your used oil and used bilge pads. Please speak to any Marina employee for information.

Even a small spill can be very costly to the Marina, the marine wildlife and to you. When you clean your bilge, use only biodegradable cleansers, never use soap or detergent.

Remember: Under the Harbors and Navigation Code, it is unlawful to discharge oil into or upon the navigable waters of California.

Report oil and chemical spills by calling the Marina office or (800) OILS911.

**BOAT CLEAN & GREEN**

### Marina Staff

**Doug Everett - Marina  
Maintenance Supervisor**

**Kimberley Lindo - Admin. Clerk**

**Nick Causbrook - Maintenance**
