**3. COMMITMENTS AND UNDERSTANDINGS**

**A. The City Attorney's Obligations**

**(1) Duties and Authority**

The City Attorney shall be the chief administrative officer of the Legal Department and shall have all of the duties, powers, authority, and responsibilities of City Attorney as the same are specifically prescribed and set forth in the City Charter, and in particular Section 401 thereof, and the ordinances of the City, and in particular those provided in the Vallejo Municipal Code, Sections 2.10.070 and 2.10.072, resolutions, policies, rules and regulations, as from time to time existing thereunder. The City Attorney

shall also perform those lawful duties and follow those lawful orders and instructions given to her by the Council when sitting at a lawfully convened meeting of the Council.

(2) **Hours of Work**

- (a) The City Attorney is an exempt employee but is expected to engage in those hours of work that are necessary to fulfill the obligations of the City Attorney's position. The City Attorney does not have set hours of work as the City Attorney is expected to be available at all times.
- (b) It is recognized that the City Attorney must devote a great deal of time to the business of the City outside of the City's customary office hours, and to that end the City Attorney's schedule of work each day and week shall vary in accordance with the work required to be performed. The City Attorney shall spend sufficient hours on site to perform the City Attorney's duties; however, the City Attorney has discretion over the City Attorney's work schedule and work location, subject to the approval of the City Council.
- (c) The City Attorney shall not engage the practice of law or giving of legal advice for compensation without the express written approval of a majority of the City Council, which may be withheld in the City Council's unfettered discretion.

(3) **Disability or Inability to Perform**

- (a) In the event the City Attorney becomes mentally or physically incapable of performing the City Attorney's essential functions and duties with reasonable accommodation and it reasonably appears such incapacity will last for more than 6 months, the City Council may, subject to state and federal law, terminate the City Attorney. If the City Council does elect to terminate the City Attorney due to incapacity, the City Attorney shall not receive severance benefits provided in Section 5.C below.

(4) **Goal-Setting**

The City Attorney commits to spending time each year outside of regular City Council meetings to work with the City Council on setting goals and priorities for the Law Department, and to work on issues that may be inhibiting the maximal achievement of City goals. The City Council and City Attorney intend to hold the first goal setting meeting no later than May 2021.

**B. City Obligations**

- (1) The City shall provide the City Attorney with the compensation, incentives and benefits, specified elsewhere in this Agreement.

- (2) The City shall provide the City Attorney with a private office, secretary, staff, office equipment, supplies, and a stipend for her use of her own cell phone as provided in Section 4(A)(4), and all other facilities and services adequate for the performance of the City Attorney's duties, as approved by the City Council in the City's annual budget.
- (3) The City shall pay for or provide reimbursement for all reasonable and lawful business expenses of the City Attorney incurred as a result of performing the duties of the City Attorney, as well as a computer, laptop computer, high-speed internet access, electronic calendar, fax, copy machine and similar devices for use at the City Attorney's Office at City Hall, except that the laptop computer is available for the City Attorney's use outside of the office. The City shall provide the City Attorney a City credit card to charge appropriate and lawful business expenses, as approved by the City Council in the City's annual budget.
- (4) The City agrees to pay the professional dues and subscriptions on behalf of the City Attorney which are necessary for the City Attorney's continuation and full participation in national, regional, state, or local associations and organizations necessary and desirable for the good of the City, and for the City Attorney's continued professional participation and advancement and as approved by the City Council in the City's annual budget. At minimum, this shall include any annual professional dues for membership with the State Bar of California, any section memberships for the California Lawyers Association, as well as continuing education and/or training to maintain an active State Bar of California license.
- (5) The City agrees to pay the travel and subsistence expenses of the City Attorney to pursue official and other functions for the City, and meetings and occasions to continue the professional development of the City Attorney, including, but not limited to, national, regional, state, and local conferences, and governmental groups and committees upon which the City Attorney serves as a member and as approved by the City Council in the City's annual budget. Any expenditures must be in conformance with any applicable City travel and reimbursement policy.
- (6) The City also agrees to pay reasonable costs for the travel and subsistence expenses of the City Attorney for short courses, institutes and seminars that are necessary for the good of the City or for the professional development of the City Attorney and as approved by the City Council in the City's annual budget. Any expenditures must be in conformance with any applicable City travel and reimbursement policy.
- (7) The City Attorney shall prepare and submit to the City Council on an annual basis, or upon request of the Council as part of a performance evaluation, a report detailing the expenses and costs related to Subsections (4), (5) and (6).

**C. City Council Obligations**

- (1) The City Council commits to spending time each year outside of regular City Council meetings to work with the City Attorney on setting goals and priorities

for the Law Department, and to work on issues that may be inhibiting the maximal achievement of City goals. The City Council and City Attorney intend to hold the first goal setting meeting no later than May 2021.

- (2) Except for the purpose of inquiry, the City Council and its members shall deal with all subordinate City employees, contractors, and consultants under the supervision of the City Attorney solely through the City Attorney or the City Attorney's designee, and neither the City Council nor any member thereof shall give orders to any subordinate of the City Attorney, either publicly or privately.
- (3) The City Council agrees none of its individual members will order the appointment or removal of any person to any office or employment under the supervision and control of the City Attorney.
- (4) Except as otherwise expressly provided in this Agreement or in the City's Charter, Municipal Code, policies, resolutions, rules or regulations, neither the City Council nor any of its members shall interfere with the lawful execution of the powers and duties of the City Attorney. Notwithstanding the foregoing, the City Attorney shall take orders and instructions from the City Council only when it is sitting as a body in a lawfully held meeting.

**D. Mutual Obligations**

**(1) Performance Evaluation**

- (a) Annual performance evaluations are an important way for the City Council and City Attorney to ensure effective communications about expectations and performance.
- (b) The City Council recognizes that for the City Attorney to respond to its needs and to grow in the performance of the City Attorney's job, the City Attorney needs to know how the City Council Members evaluate the City Attorney's performance.
- (c) To assure that the City Attorney gets this feedback, the City Council shall conduct an evaluation of the City Attorney's performance at least once each year. The City Council and the City Attorney agree that performance evaluations, for the purpose of mid-course corrections, may occur quarterly or several times during each calendar year.
- (d) The City Attorney and the City Council will create goals or other outcome measures that will provide the basis for the next performance review on an annual basis on or before July 1 of each year.
- (e) The annual review and evaluation shall be in accordance with specific criteria developed jointly by the City Council and the City Attorney. Such criteria may be added to or deleted as the City Council may from time to time determine in consultation with the City Attorney.

Termination as used in this section shall also include: (i) a request by the City Council that the City Attorney resign, (ii) a percentage reduction in compensation, leave or other financial benefits of the City Attorney greater than the average percentage reduction experienced by the Unrepresented Management Employees during the same fiscal year in the same benefit, (iii) a percentage increase in the City Attorney's financial obligations to contribute to, assume the cost of or pay for any benefits greater than the average percentage increase in the Unrepresented Management Employees' financial obligations to contribute to, assume the cost of or pay for the same benefits occurring during the same fiscal year or (iv) the elimination of the City Attorney's position. Any such notice of termination or act constituting termination shall be given at or effectuated at a duly noticed regular meeting of the City Council.

## **6. MISCELLANEOUS PROVISIONS**

### **A. Term**

#### **(1) Initial Term**

The Initial Term shall be for a period of three years (36 months) commencing on November 16, 2020, and continuing until November 15, 2023 (the initial "Termination Date"), unless terminated earlier in accordance with Section 5.

#### **(2) Subsequent Terms**

This Agreement shall automatically renew on a year-to-year basis, for a maximum of two additional years (24 months) as provided herein unless the City gives the City Attorney timely notice of non-renewal. The City must give the City Attorney written notice of non-renewal at least 6 months prior to the initial Termination Date or any succeeding Termination Date. Unless such notice of non-renewal is timely given, this Agreement shall automatically renew for an additional year and a new Termination Date shall be accordingly established. If notice of non-renewal is given, the City Council may at any time choose to relieve the Attorney of her duties and pay any remaining salary and benefits through the remainder of the term left in the Agreement as a lump sum.

### **B. Provisions that Survive Termination**

Only the sections of this Agreement that by their terms are reasonably intended to survive the termination of this Agreement shall survive the termination of this Agreement.

### **C. Amendments**

This Agreement may be amended at any time by mutual agreement of the City and the City Attorney. Any amendments are to be negotiated, put in writing, and adopted by the City Council.

### **D. Conflict of Interest**

- (1) The City Attorney shall not engage in any business or transaction or have a financial or other personal interest or association, direct or indirect, which is in

conflict with the proper discharge of official duties or would tend to impair independence of judgment or action in the performance of official duties. Personal as distinguished from financial interest includes an interest arising from blood or marriage relationships or close business, personal, or political associations. This section shall not serve to prohibit independent acts or other forms of enterprise during those hours not covered by active City employment, providing such acts do not constitute a conflict of interest as defined herein.

- (2) The City Attorney shall also be subject to the conflict of interest provisions of the California Government Code, California State Bar Rules of Professional Responsibility, and any conflict of interest code applicable to the City Attorney's City employment.
- (3) The City Attorney is responsible for submitting to the City Clerk the appropriate Conflict of Interest Statements at the time of appointment, annually thereafter, and at the time of separation from the position.

**E. Indemnification**

Except as otherwise provided by law, and provided that City Attorney complies with the provisions of Sections 825 and 825.6 of the California Government Code, as now existing or hereafter amended, City shall defend, hold harmless, and indemnify City Attorney against any tort, professional liability claim or demand or other legal action, whether groundless or otherwise, arising out of an alleged act or omission occurring in the performance of City Attorney's duties in accordance with the provisions of Sections 825 and 825.6, as now existing or hereafter amended. City may conduct such defense reserving the rights of City not to pay the judgment, compromise or settlement until it is established that the injury arose out of an act or omission occurring within the scope of City Attorney's employment as an employee of City. City is required to pay the judgment, compromise, or settlement only if it is established that the injury arose out of an act or omission occurring in the scope of City Attorney's employment as an employee of City. Nothing in this Agreement authorizes or obligates City to pay that part of any claim or judgment that is for punitive or exemplary damages. City may compromise and settle any such claim or suit and pay the amount of any settlement or judgment rendered therefrom only to the extent authorized in Sections 825 through 825.6, as now existing or hereafter amended.

If the City Attorney is convicted of a crime involving an abuse of her office or position, as defined in Government Code Section 53243.4, then the City Attorney shall fully reimburse the City for (1) any paid administrative leave salary paid by the City to the City Attorney pending any investigation concerning said crime, (2) funds provided to the City Attorney for her legal criminal defense, and/or (3) any severance pay or cash settlement paid to the City Attorney related to her termination by the City. Said reimbursements are required if such payments are made, even if the payments were made by the City in the absence for any contractual requirement to do so.

**F. Severability**

If any clause, sentence, part, section, or portion of this Agreement is found by a court of competent jurisdiction to be illegal or unenforceable, such clause, sentence, part, section, or portion so found shall be regarded as though it were not part of this Agreement and the remaining parts of this Agreement shall be fully binding and

enforceable by the Parties hereto.

**G. Jurisdiction and Venue**

This Contract shall be construed in accordance with the laws of the State of California, and the Parties agree that venue shall be in Solano County, California.

**H. Entire Agreement**

This Contract represents the entire agreement of the Parties, and no representations have been made or relied upon except as set forth herein. This Contract may be amended or modified only by a written, fully executed agreement of the Parties.

**I. Waiver**

Waiver by either party of any default, breach or condition precedent shall not be construed as a waiver of any other default, breach or condition precedent or any other right hereunder.

**J. Ambiguity**

The parties acknowledge that this is a negotiated agreement, that they have had the opportunity to have this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against any party on the basis of such party's draftsmanship thereof.

**K. Headings**

The section headings contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.
