VALLEJO WATER RATE ASSISTANCE APPLICATION

To qualify for assistance, you must:

- Reside in a City of Vallejo single family home and the water bill must be in your name.
- Be enrolled in the PG&E CARE Program under the same name and address as is listed on the water bill. (For sub-metered tenants, the energy bill from your landlord must be in your name).
- Provide adequate proof of identification (Driver license, passport, military ID, etc.).

Other program guidelines & considerations:

- This is a limited term program. If your application is accepted, you must re-apply for this rate assistance program every calendar year beginning May 1st. (The next application period will be May 1, 2021.)
- The initial program application period begins in December 2019 and the first approved billing credit will appear on the first water bill issued after February 1, 2020. Applications submitted and approved after February 1, 2020 shall receive the first billing credit in the next subsequent billing cycle.
- Once your WRAP application has been approved for a specific term, if you move to a new location, the billing credit will not transfer to the new account until you sign-up for water service at the new address and complete a new WRAP application using the new address.
- Each application shall be for one single family residence only.
- You must notify the City's Commercial Services office immediately if you no longer participate in the PG&E CARE Program or if you cease to meet other program qualifications.
- Funding for this program is limited and the City reserves the right to stop approving applications whenever available funding is exhausted.
- The City may remove anyone from the program if/when it is determined that minimum program requirements are not being met.
