

## Participatory Budgeting Vallejo

April 2020

### PB Vote Postponement

The City of Vallejo, and Vallejo residents' involvement in Participatory Budgeting has made Vallejo a model for city and government institutions worldwide. The Participatory Budgeting process is not only intended to improve our city, but it is an opportunity to engage our community in a unique democratic process. The PB Vote heavily relies on engaging the public in person at various community events and locations.

In accordance with the Solano County, [Shelter at Home Health Order and Directive](#), and to protect the health and safety of the community, the PB Vote will be postponed to a date yet to be determined. Although the PB Vote could be facilitated through our online platform, waiting until the Shelter at Home Health order is lifted will ensure the equal opportunity for all eligible Vallejoans to participate in the process.

For additional information on the City's response to COVID-19, please visit [cityofvallejo.net/NCOV](http://cityofvallejo.net/NCOV).

### 3rd Stage Proposals

During the March 11 Budget Delegate meeting, delegates voted on the final twelve proposals they would like to include in the PB ballot. Prior to the March 11 deliberation, the project proposals were reviewed by an ad hoc committee of the Steering Committee, relevant City departments, and implementing partners. All proposals were reviewed by the Assistant City Manager and Chief Assistant City Attorney. Proposals were reviewed for eligibility, per the P B Rulebook, and for legality, budgeting, feasibility, implementation, and policy
