**SUBJECT: Construction Notice of Upcoming Bridge Removal Work for Sacramento Street Bridge Replacement Project  
[Federal Aid Project No.: STPLZ 5030 (056)]**

Dear Neighbors:

Please be advised that demolition work required to remove the existing Sacramento Street Bridge over Mare Island Railway will begin on Wednesday, April 21, 2021 and will last approximately one week. The nature of the work requires breaking apart the concrete bridge deck by jackhammering and removal of the steel supporting structure and concrete foundations.

Please anticipate elevated construction noise during this phase of construction.

We truly appreciate your cooperation during this phase of construction. If you have any questions, please contact me at **(408) 307-9765** or email at **tomwalker@cityofvallejo.net**.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tom Walker".

Tom Walker, P.E.  
Project Manager
