

# DOWNTOWN PROPERTY ENHANCEMENT PROGRAM

Improve your Property. Reinvest in Downtown. Revitalize Vallejo.

The Downtown Property Enhancement Program aims to encourage economic growth and business activity by assisting downtown businesses and building owners to improve the visual appearance and condition of their storefronts and the accessibility of their building exteriors and ground floors.

*The program will award matching grants of \$2,500 - \$30,000 for eligible improvements in targeted area of the City. The City will pay up to 50% of the costs for eligible work up to the maximum of \$30,000.*

## Eligibility Criteria

- Building in commercial use located within the targeted area (shown below)
- Improvements must address the façade(s) visible from the street, or exterior or ground floor accessibility
- No unresolved code enforcement actions on the property
- Applicant is either the property owner or business owner/tenant

## Target Area

- Western Boundary: Santa Clara Street
- Eastern Boundary: Sutter Street
- Northern Boundary: Florida Street
- Southern Boundary: Maine Street

**DEADLINE: WEDNESDAY, JULY 1, 2015**
