## CITY OF VALLEJO WATER DEPARTMENT WATER SERVICE CONNECTION APPLICATION

The undersigned hereby makes an application to the City of Vallejo for a supply of  **Potable**  **Raw** water for the property with the street address of \_\_\_\_\_

in the \_\_\_\_\_ Subdivision with the Lot number(s) of \_\_\_\_\_  
through a \_\_\_\_\_ inch service pipe and a \_\_\_\_\_ inch meter. The water service for the above premises is exclusively for  **Domestic**  **Irrigation**  **Fire Service**  **Domestic & Fire Services** and any addition to, revision and/or extension of such service is subject to the approval by the City of Vallejo's Water Director.

As of January 1, 2011, all new residential construction will require fire sprinklers to be installed per the 2010 California Residential Code. Per the California Department of Health Services (Code 17, Sections 7588 and 7594), a reduced pressure backflow prevention device will also be required. Applicant acknowledges and agrees that the City may terminate service at any time for non-compliance with any regulation of the City or default in any payment due to the City and understands that termination of service will also terminate any fire suppression system connected to the terminated service. Applicant further acknowledges and agrees that, in the event of such termination for non-compliance with any regulation of the City or default in any payment due to the City, the City shall not be liable for any loss, damage, or inconvenience to any person or property by reason of any interruption, suspension, or termination of water service and/or fire service.

Applicant further acknowledges that the City shall not be liable for any loss, damage, or inconvenience to any person by reason of any shortage, reduction, interruption, or discontinuance of water service or the increase or decrease of water pressure, when the same is caused by a force majeure event, drought, an unavoidable accident, a shutdown, a disturbance or condition of any kind beyond the reasonable control of the City or when the same is reasonably necessary for the repair, maintenance, alteration, or extension of any facility of the City.
