

**RESOLUTION NO. 17 – 062 N.C.**

**BE IT RESOLVED** by the Council of the City of Vallejo that staff is directed to take the following actions:

1. Upon obtaining the written consent of Appellant/Applicant, Appellant/Applicant's appeal(s) concerning the project are hereby stayed and delayed to a date no later than January 16, 2018, at which time this Council will once again consider this appeal and further consider any documents and work product prepared by staff in connection with the following items;
2. Staff is directed to work with Appellant/Applicant to describe and analyze alternatives or revisions to the Revised Project Alternative as described in the Draft Final Environmental Impact Report, and to prepare a 'final and stable project description' for purposes of complying with the California Environmental Quality Act, and, once that is achieved;
3. Staff is directed to prepare and process the necessary documents for presentation to the planning commission and this Council including finalizing the FEIR, preparing CEQA findings, MMRP, Statement of Overriding Considerations, and conditions of approval, and presenting them to this Council for consideration and possible certification and approval.

**BE IT FURTHER RESOLVED THAT** should a final project description constituting a 'final and stable project description' not be achieved, or should the appellant's consent to stay this appeal not be obtained by July 15, 2017, staff is directed to come back to this Council for further action on the appeal.
