VALLEJO – FREE OF GRAFFITI (V-FOG) Proactive Graffiti Removal Program for Private Residential Properties

SIX MONTH GRAFFITI REMOVAL CONSENT FORM TO ENTER and RELEASE OF LIABILITY

I, the undersigned, owner of the property located at:

Street Address: _____

City, State and ZIP Code: _____

Cross Streets: _____

am authorized to and do hereby grant continuing consent to enter upon the above described property for six months from the date of signature by personnel and equipment of the City of Vallejo, its agents, employees and/or volunteers as the case may be (hereinafter separately and collectively referred to as “City”) for the purpose of removing, reducing or obliterating graffiti on such property wherever graffiti is visible to the public, by high pressure technology, wire brush scrubbing, painting, or the use of chemical solvents, as deemed necessary or desirable by the City. The cleaning or painting of the defaced property may be performed by the City, by Anti-Graffiti Program volunteers working with the City, or by a community organization on its own.

The City will, in good faith, attempt to clean or paint the defaced property. However, I, the undersigned, understand that: 1) the graffiti removal services shall be performed as determined by the City Anti-Graffiti Program volunteers or community organization as the case may be and may be in blocks, patches and strips where graffiti appears and that the clean area may not match the colors on the remainder of the improvements on the property; 2) the City has not in any way obligated itself to do any work, or to use City equipment to any great extent other than as determined by the City; and 3) the City assumes no responsibility if colors or textures do not match, or some residue of existing graffiti remains.
